

A stylized map of the Leicester Square area in London. The map uses tan and white geometric shapes to represent buildings and streets. A callout bubble with a gold border and a white background points to a dark red square representing Leicester Square. The bubble contains the Häagen-Dazs logo. Two station icons, represented by a circle with a horizontal bar, are also shown: one at the bottom left for Piccadilly Circus Station and one at the top right for Leicester Square Station. Street names are written in a light tan font, following the orientation of the streets.
